

State Wildlife Grants (Formula) Apportionment

State Wildlife Grants (Formula) Program:

Funds appropriated by Congress as part of the annual Department of the Interior Appropriations Act.

Funds distributed using a two-part formula:

(a) 1/3 area of each State bears to the total area of all the States.

(b) 2/3 population of each State bears to the total U.S. population using last census figures.

** No state shall receive more than 5% or less than 1% of the total available funds.*

** Guam, American Samoa, Virgin Islands, & Northern Mariana Islands receive 1/4 of 1%.*

** District of Columbia and Puerto Rico receive 1/2 of 1%.*

States/Insular areas annual apportionment for State Wildlife Grants (Formula) Program
